

MORA

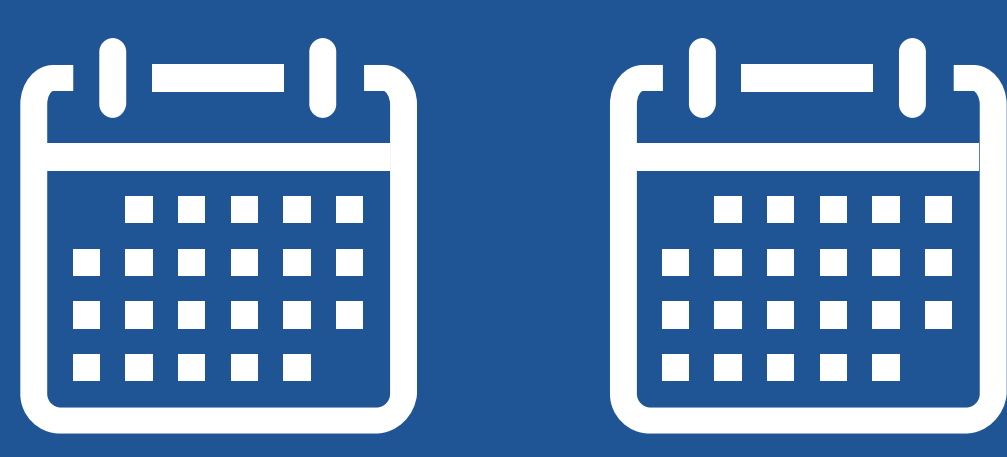

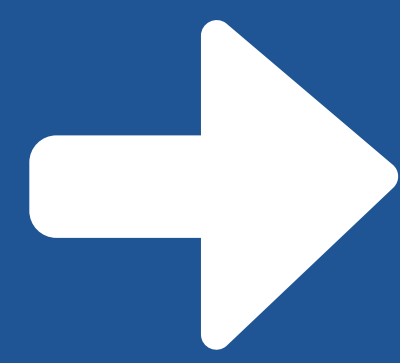

400,000

children in the
foster care system

1 in 4

children are waiting
to be adopted

2 years

the average amount
of time they wait

There's a problem with the foster care industry.

That's why Team Venus is introducing Mora, a streamlined case management and analytics solution for foster care agencies that helps kids get placed into caring homes without having to wait 730 days.

FRIDAY | FEBRUARY 24TH, 2017

Welcome back, Anne

"Every day is a new start!"
